

INVESTIGATORS

This table contains specific information related to Principal Investigators (PIs) & Co-PIs. Additionally it is also contains relationship information that it shares with "PERSON" and "AWARD". Each record in this table also describes a "Person was the PI(or Co-PI) of Award" relationship. As mentioned, information related to both PIs & Co-PIs is captured in this table. Although there is more information available for PIs like email address and state. A boolean field is used to differentiate between the current element being a PI or a Co-PI.

This table contains the following fields:

- **_I_AWARD_FK_**: The foreign key into the **AWARD** table.
- **_I_PERSON_FK_**: The foreign key into the **PERSON** table.
- **EMAIL_ADDRESS**: The exact string as found in the "PI Email Address" field. This is left blank for when the current element is a Co-PI.
- **STATE**: The exact string as found in the "State" field. This is left blank for when the current element is a Co-PI.
- **IS_MAIN_PI**: This is a boolean which is set to "TRUE" when the current element is a PI and "FALSE" otherwise. See [AWARD](#) and [PERS ON \(NSF\)](#) for further reference.
