

INVESTIGATORS

This table contains specific information related to Principal Investigators (PIs) & Co-PIs. Additionally it is also contains relationship information that it shares with "PERSON" and "AWARD". Each record in this table also describes a "Person was the PI(or Co-PI) of Award" relationship.

As mentioned, information related to both PIs & Co-PIs is captured in this table. Although there is more information available for PIs like email address and state. A boolean field is used to differentiate between the current element being a PI or a Co-PI.

This table contains the following fields:

- *_I_AWARD_FK_*: The foreign key into the **AWARD** table.
- *_I_PERSON_FK_*: The foreign key into the **PERSON** table.
- *EMAIL_ADDRESS*: The exact string as found in the "PI Email Address" field. This is left blank for when the current element is a Co-PI.
- *STATE*: The exact string as found in the "State" field. This is left blank for when the current element is a Co-PI.
- *IS_MAIN_PI*: This is a boolean which is set to "TRUE" when the current element is a PI and "FALSE" otherwise. See [AWARD](#) and [PERSON \(NSF\)](#) for further reference.
