INVESTIGATORS

This table contains specific information related to Principal Investigators (PIs) & Co-PIs. Additionally it is also contains relationship information that it shares with "PERSON" and "AWARD". Each record in this table also describes a "Person was the PI(or Co-PI) of Award" relationship.

As mentioned, information related to both PIs & Co-PIs is captured in this table. Although there is more information available for PIs like email address and state. A boolean field is used to differentiate between the current element being a PI or a Co-PI.

This table contains the following fields:

- `_I_AWARD_FK_`: The foreign key into the `AWARD` table.
- `_I_PERSON_FK_`: The foreign key into the `PERSON` table.
- `EMAIL_ADDRESS`: The exact string as found in the "PI Email Address" field. This is left blank for when the current element is a Co-PI.
- `STATE`: The exact string as found in the "State" field. This is left blank for when the current element is a Co-PI.
- `IS_MAIN_PI`: This is a boolean which is set to "TRUE" when the current element is a PI and "FALSE" otherwise. See `AWARD` and `PERSON (NSF)` for further reference.
