

CITED_PATENTS

This table does not contain actual patent data. Rather, it is a relationship table between **DOCUMENT** and **PATENT**. Each record in this table describes a "Document cites Patent" relationship.

This table contains the following fields:

- *CITED_PATENTS_DOCUMENT_FK*: The foreign key into the **DOCUMENT** table.
- *CITED_PATENTS_PATENT_FK*: The foreign key into **PATENT** table.

See [DOCUMENT](#) and [PATENT](#) for additional details.
