This table does not contain "program" information. It is a relationship table between PROGRAM and AWARD. Each record in this table describes a "Program belongs to an Award" relationship. The "Program" information is captured from "Program Element Code(s)" field in the NSF Data.

This table contains the following fields:

- **PNEC_PROGRAM_FK**: The foreign key into the PROGRAM table.
- **PNEC_AWARD_FK**: The foreign key into the AWARD table.

See **AWARD** and **PROGRAM** for further reference.
