INVESTIGATOR_ORGANIZATIONS

This table contains neither actual investigator data nor organization. It is a relationship table between INVESTIGATORS and ORGANIZATION. Each record in this table describes a "Investigator belongs to an Organization" relationship.

This table contains the following fields:

- **IOS_INVESTIGATOR_FK**: The foreign key into the INVESTIGATORS table.
- **IOS_ORGANIZATION_FK**: The foreign key into the ORGANIZATION table.

See INVESTIGATORS and ORGANIZATION for further reference.
