AWARD_FIELD_OF_APPLICATIONS

This table contains neither actual award data nor field of applications. It is a relationship table between AWARD and FIELD_OF_APPLICATION. Each record in this table describes a "Award has a Field of Application" relationship.

This table contains the following fields:

- **FOAS_AWARD_FK**: The foreign key into the AWARD table.
- **FOAS_FIELD_OF_APPLICATION_FK**: The foreign key into the FIELD_OF_APPLICATION table.

See AWARD and FIELD_OF_APPLICATION for further reference.
